

To Whom It May Concern,

This letter is my personal recommendation for Timothy Gothra. I serve as a District Manager of Prime Communications-AT&T in the Indiana market. I have had the wonderful opportunity to be able to work with Timothy in a number of ways. He served as a Retail Store Manager at our Bedford, IN location and quickly set himself apart from the rest of our managers with his strength in creative work.

Timothy became an influencer by creating and providing tools for many stores and managers, not only in the Indiana Market, but on a national level. He designed flyers for the company that occupied the homepages of live devices in a majority of our stores as well as created multiple internal sales tools that our stores would utilize in their daily sales process.

One of his biggest strengths is that he is very attentive to detail. He cares about the things that many others tend to overlook and that was something that assisted in his successful career with us.

I can 100% recommend Timothy. He will bring a creative, forward-thinking perspective and strong focus to whatever project is presented in front of him.

Sincerely,

A handwritten signature in black ink that reads "Jacob Short".
