

To Whom It May Concern,

I am excited to to share my personal recommendation for Timothy Gothra. I have known and worked with him for many years. I have watched him grow as a leader and got to experience first hand his passion for doing creative work.

Timothy has produced for our company numerous print & digital collateral along with a list of internal tools that our stores utilize on a consistent basis. We offered Timothy many opportunities to move to our Home Office in Houston, TX to assume a marketing & design lead position, though he chose to remain near to family. While Timothy served as a Store Manager, he often utilized his creativity and leadership skills to create a culture of success both in sales & overall store atmosphere. His upbeat attitude mixed with his passion for creative work helped him garner a strong reputation among his peers.

I can recommend Timothy to you with no reservation. From frontline sales to behind-the-scenes marketing & design, you'll be glad he's on your team.

Thank you,
